

Join Bartow Elementary Academy PTA

Please support the students and staff here at our school by joining the PTA for \$6 per member. The \$6 per person membership fee is split with \$3.50 going directly to Florida State Parent Teacher Association (FSPTA)) and \$2.50 going to the BEA PTA.

You can be an active, silent, or behind the scenes member for our PTA. There are so many different ways families can contribute in their own way to be a part of the school and PTA. Anyone can join—parents, grandparents, and older students are all welcome!

The BEA PTA is active in making our school a better place for learning. Through our fundraisers during the school year, we're able to enhance learning, teaching and volunteering at BEA. We are all here for one thing and that is to come together to see our children's growth and success.

No time commitment necessary by joining PTA- events and activities are managed by the PTA Board. General members are welcome to help out, but there is no requirement.

Fill out this form and return it to your child's teacher or to the office along with your payment. We'll send your PTA membership card home with your student once it is processed.
